The diagram illustrates a network structure with the following nodes and connections:

- Central Node:** 3.
- Branch 1 (Left):**
 - Node: 5
 - Node: 1
- Branch 2 (Middle-Left):**
 - Node: 5
 - Node: 600
 - Node: 3,000
 - Node: 1,500
 - Node: 2,000
- Branch 3 (Middle-Right):**
 - Node: 5
 - Node: 900
 - Node: 30
 - Node: 1,500
 - Node: 40%
- Branch 4 (Right):**
 - Node: 2
 - Node: 1
- Connections:**
 - Node 3. is connected to Node 5 (left) and Node 5 (middle-left).
 - Node 5 (left) is connected to Node 1.
 - Node 5 (middle-left) is connected to Node 600, which is connected to Node 3,000, which is connected to Node 1,500, which is connected to Node 2,000.
 - Node 5 (middle-right) is connected to Node 900, which is connected to Node 30, which is connected to Node 1,500.
 - Node 5 (middle-right) is also connected to Node 40%.
 - Node 2 (right) is connected to Node 1.
